

# Canteen

Dear Parent

The Committee and Staff of the Canteen welcome your child/children to the school. We invite your child to use our Canteen, which provides a healthy lunch every day. To do this we rely on volunteer help, therefore we ask for your time once a month for two hours. Time slots that require assistance are 9.00 am to 11.30 am or 12.30 pm to 2.30 pm.

## DUTIES

The following duties are cutting, buttering and making bread rolls, etc.

All profits from the Canteen are spent within the school to provide extras for the school, and this is the school's only source of fundraising.
